### Building Data

Roof shape

### Building dimensions\*

Length l m  
(verge - verge)

Width w m  
(ridge - eaves)

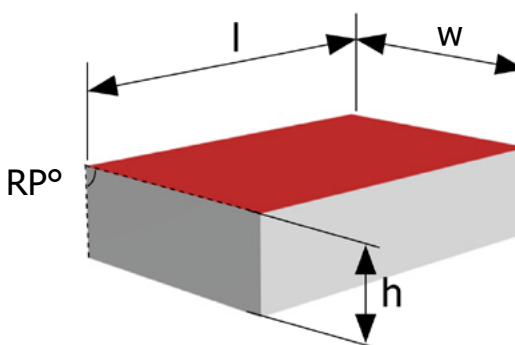

Height h m  
(ground - ridge)

Roof pitch °(1)

With roof pitch change yes no  
(if yes, pls. add documentation)

With attica yes no

Height attica cm Width attica cm

\* (For the purposeful processing of your enquiry, pls. provide detailed building drawings if possible)
